3. Add or update you photo to make it easier for others to find you.

4. Verify and update your name, title, organization and where you're located.

5. Add a summary about yourself. This can include a short bio, information about your organization, your role group, if you're a first time attendee, which arts focuses you cover, etc.

The more details here, the better. This information is used for the search bar in the app.

6. Lastly, hit update to save your changes!
